The SUNAIR® PERGOLA® is the ultimate solution for your patio and outdoor serving areas. Many models are available, enabling a customized structure to perfectly fit your needs. The SUNAIR® PERGOLA® system offers the convenience of a motorized retractable roof with the durability to handle inclement weather, like rain, to maximize and utilize your outdoor space.

Extend your peak season and increase your profitability with endless possibilities.

Our systems are classic, modern and elegant. They can be fitted with LED lighting, heaters and roll down screens. This allows extra weather protection and three season use with complete function and reliability.
